Spring A- ZMTI 123 Parables of Jesus

Mondays at 6 p.m. January 24- March 14

Instructor: Dr. Larry Gipson

Jesus Christ was a master storyteller and often taught in parables. A parable is an earthly story with a heavenly meaning and Jesus would often use this type of communication when speaking to the crowds. This course will take careful examination on each of the parables found in the Gospels and teach students how to apply the heavenly meanings to increase their intimacy with God. You may register on the church website or call the church office for more information.
