**NEW SERMON SERIES**

We will begin a new sermon series titled “Favorites” **today**. The team at *Bible Study Tools* collected the most popular Bible verses read in 2021. These verses are popular because of their encouraging and inspiring message of hope. The overwhelming themes from these verses focus on finding strength, growing in faith, and trusting God. We are all on this journey of faith together. We will be examining the following top six Scriptures: John 3:16, Jeremiah 29:11, Romans 8:28, Philippians 4:13, Genesis 1:1, and Proverbs 3:5-6.
